#### NOTICE TO CONTRACTORS

##### Kootenay Electoral District

Bridge Project 681—Wardner Bridge and C.P.R. Overpass at Wardner, Southern Trans-Canada Highway.

SEALED TENDERS, marked "Tender for Bridge Project 681—Wardner Bridge and C.P.R. Overpass at Wardner," will be received by the Minister of Highways in his office at the Parliament Buildings, Victoria, British Columbia, up to 2 p.m. (Pacific Daylight Saving time) on Wednesday, the 9th day of September, 1970, and opened in public at that time and date.

This contract consists of the construction of two complete bridges. The first bridge is over the Kootenay River and is 740 feet long. It consists of two reinforced-concrete abutments founded on spread footings and four piers founded on steel H-piles; a reinforced-concrete deck spans between piers and is carried by simply supported prestressed-concrete girders. The second bridge spans over the C.P.R. and is 145 feet 6 inches long. It consists of two reinforced-concrete abutments and one pier, all founded on spread footings; a reinforced-concrete deck is carried by simply supported prestressed-concrete girders.

Plans, specifications, and conditions of tender may be obtained from the Provincial Government Plan Viewing Room, 501 West 12th Avenue, Vancouver 9, British Columbia (telephone 879-7531), or from the undersigned for the sum of ten dollars (\$10) (cheque or money order made payable to the Minister of Finance), which is not refundable.

Construction of this contract shall conform to the requirements of the applicable sections of the Department of Highways "General Specifications for Highway Construction." If the bidder does not already have a copy of these specifications, one may be obtained from the Provincial Government Plan Viewing Room, Vancouver 9, British Columbia, or from the undersigned for the sum of ten dollars (\$10) (cheque or money order made payable to the Minister of Finance), which is not refundable. All copies purchased are registered and amendments are forwarded when issued.

Each tender must be accompanied by a bid bond in an amount equal to five per cent (5%) of the tender price. This

bond shall be forfeited if the tenderer declines to enter into a contract if called upon to do so. A performance bond and a labour and material payment bond, each in the amount of fifty per cent (50%) of the tendered sum, in a form acceptable to the Minister of Finance, must then be provided by the successful bidder prior to the award of the contract.

Tenders must be made out on the forms supplied and enclosed in the envelope furnished.

Tenderers are advised that all bidders will be required to satisfy the Minister of Highways, in writing, that they have the necessary qualifications to successfully perform the work. It is preferred that tenderers submit with their tenders a list stating the type, capacity, and present location (so that inspection can be made if necessary) of the equipment in their possession or at their disposal which is immediately available for the carrying-out of the work within the time limit specified without in any way curtailing or delaying any Departmental project that may be under contract at this date.

No tender will be accepted or considered which contains an escalator clause or any other qualifying conditions, and the lowest or any tender will not necessarily be accepted.

It is preferred that tenderers submit with their tenders a schedule of proposed construction operations showing estimated monthly progress for each phase of the construction work.
